

INSIDER SECRETS TO GIVE YOU THE EDGE

'THIS BOOK WILL HELP YOU ACCESS JUSTICE
IN THE EMPLOYMENT LAW SPHERE' Ellie Reeves, MP

OVER 300 PAGES of expert advice from legal professionals

Employment lawyers share the secrets of how to:

- ✓ Spot when your boss is trying to manage you out
- ✓ Calculate how much you are entitled to in an exit package
- ✓ Negotiate a better settlement agreement deal

Discover the tips, tactics and techniques
that will give you the edge
in negotiations

This book covers common
leaving scenarios including:

- Redundancy
 - Constructive dismissal
 - Unfair dismissal
 - Discrimination
 - Whistleblowing
- and more...

Alex Monaco, Solicitor, says:

"Finally, *The Resignation Revolution* is here! The media (owned by big business) have always tried to portray employee rights as 'red tape' and damaging to the economy. But with the help of this book, instead of just resigning when you are being unfairly treated at work, you can negotiate yourself an exit package – without having to pay for an expensive lawyer."
